REMINDER the after-hours support
is to handle only breakdowns!
Do not call after hours breakdown for any other issues.
They cannot handle dispatching issues,
hours of service edits or compliance
related questions.

For anything to do with the
customers, load info, directions
contact Dispatch.

For anything Safety related, hours of
service, hazmat placarding, accident,
fuel cards, EFS Money codes or
damages contact Compliance.

For anything that is truck related,
breakdowns, contact the shop (7am to 7pm 7 days a week) or after
hours breakdown.

For payroll and benefit questions
contact Nicole.

For any new drivers to be recruited or personnel issues/questions
contact Michael Rudnicki or the Compliance Office.
